

# BYT01

Magnetic guide tube for cartridge valve

- Pull type, Three stage welding, External hexagon thread connection

## BYT01-16A-01

### technical parameter

Working oil pressure	MPa	≤ 21	Hexagon size	mm	31.75
----------------------	-----	------	--------------	----	-------

## BYT01-16B-01

### technical parameter

Working oil pressure	MPa	≤ 21	Hexagon size	mm	22.2V
----------------------	-----	------	--------------	----	-------
